

GREAT
outdoors

Ceramic tiles are the obvious choice for low maintenance, durability and distinctive style. Tiles are ideally suited for the great outdoors. Tiles create a special area or zone outside a home, extends the living and entertaining options - and it looks great too.

MAIN PICTURE: Different size tiles in the same range offer an infinite number of patterns to add interest and dimension to your outdoor entertainment area ■ THIS PAGE (TOP): Unglazed terracotta will work perfectly in a garden setting ■ RIGHT: Glazed tiles won't stain like pavers or concrete ■

LAP OF
luxury

“ Give me the luxuries of life and I will willingly do without the necessities. ”

FRANK LLOYD WRIGHT

MAIN PICTURE & ABOVE: Terracotta tiles make an ideal surface around pools ■ BELOW: Achieve continuity by using the same tiles to lead towards other entertaining areas ■
