Note: All Amali toilet suites are close coupled for hygiene and ease of cleaning.

Set out details are as follows:
Nelly fixed set out at 140mm
Proteus and Dazzle supplied with unconnector holes which allows for a set out range between 90mm and 190mm. Recommended set out is 140mm.

All Amali series toilet suites exceed Australian Standards. All incorporate world renown Gerbrit valves. Low flush technology and the high standard finish and quality ensure these are genuinely all the best.
